

L'OASIS - ECORCE

3246-03

L'OASIS, printed in wide width, is the starting point of the Contrée Sauvage collection. It draws the eye with its large, stylized botanical motifs and contrasting colour palettes, evoking lush nature emerging like a mirage in the heart of the desert. Its soft, fluid, and lightweight texture makes it an ideal choice for curtains.

Collection **CONTRÉE SAUVAGE**
