HERITAGE - TERRACOTTA

3260-02

Conceived as the textile translation of an aerial view of the desert, HÉRITAGE is a 100% cotton Jacquard fabric. The irregularity of the landscape has been transcribed into contrasting weave patterns and slanting lines colliding with one another, like the ever-changing shapes of the desert dunes. The design is further enhanced by patches displaying a granular effect that brings contrast to the whole. Available in three variants: natural, autumnal and terracotta. | Design: Tristan Auer

Collection	NAJD
------------	------

Brand	LELIEVRE
-------	----------

TECHNICAL DATA

Composition	Cotton 100%
-------------	-------------

Width	141 cm
-------	--------

Repeat cut	No
------------	----

Vertical repeat	51 cm
-----------------	-------

Horizontal repeat	70 cm
-------------------	-------

Drop match	Yes
------------	-----

Care	   
------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Uses	   
------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Martindale test	25 000 T
-----------------	----------

Weight / Linear metre	740 g
