DESERT - FICELLE

3262-02

DESERT is a very soft chenille Jacquard fabric featuring delicate linen wefts evoking the curves and lines of the desert as faint waves. Available in two colourways, this fabric woven from heavy yarn incorporates plays on texture and light, subtly blending streaks of glossy and matt finishes. | Design: Tristan Auer

Collection	NAJD
Brand	LELIÈVRE PARIS

TECHNICAL DATA

Type	Semi-plain
Composition	Cotton 36% - Viscose 34% - Linen 30%
Width	140 cm
Repeat cut	No
