## NOMADE - BEIGE

3264-02

NOMADE is probably the design where Tristan Auer's architectural inspiration for NAJD is most palpable. The design consists of small squares arranged into trompe-l'oeil windows in a nod to the mashrabiya typical of the area. Though the fabric looks embroidered with its raised effect, it is actually a true Jacquard, available in four colourways that echo the palette for the rest of the collection.
