LELIEVRE
PARIS

Designed by Alexia Leleu, ÉLAN is a refined semiplain with a strong presence, distinguished by a discreet yet structuring pattern, brought to life by a horizontal vibration. The two-tone stripe, free from strict repetition, is enhanced by a blend of yarns that adds density to the material. The fabric favors subtlety over ornament, offering a contemporary and elegant reading. Suitable for upholstery, ÉLAN embodies a balanced harmony between restraint and character

Collection	EMPREINTES
Brand	LELIÈVRE PARIS

TECHNICAL DATA

Type	Jacquard
