LELIEVRE
PARIS

ODORICO is a Jacquard fabric featuring an Art Deco pattern imitating mosaic tiles with a pattern of extremely fine lines over an audacious black background. The design was reworked based on a detail from an archive drawing of Maison Leleu's historic Mosaïque rug. The chenille velvet thread creates a raised texture and gives the fabric a beautiful drape. It may also be used with other fabrics from the collection to bring the combination together and create a sense of harmony.

Collection	RÉTROSPECTIVES
Brand	LELIÈVRE PARIS

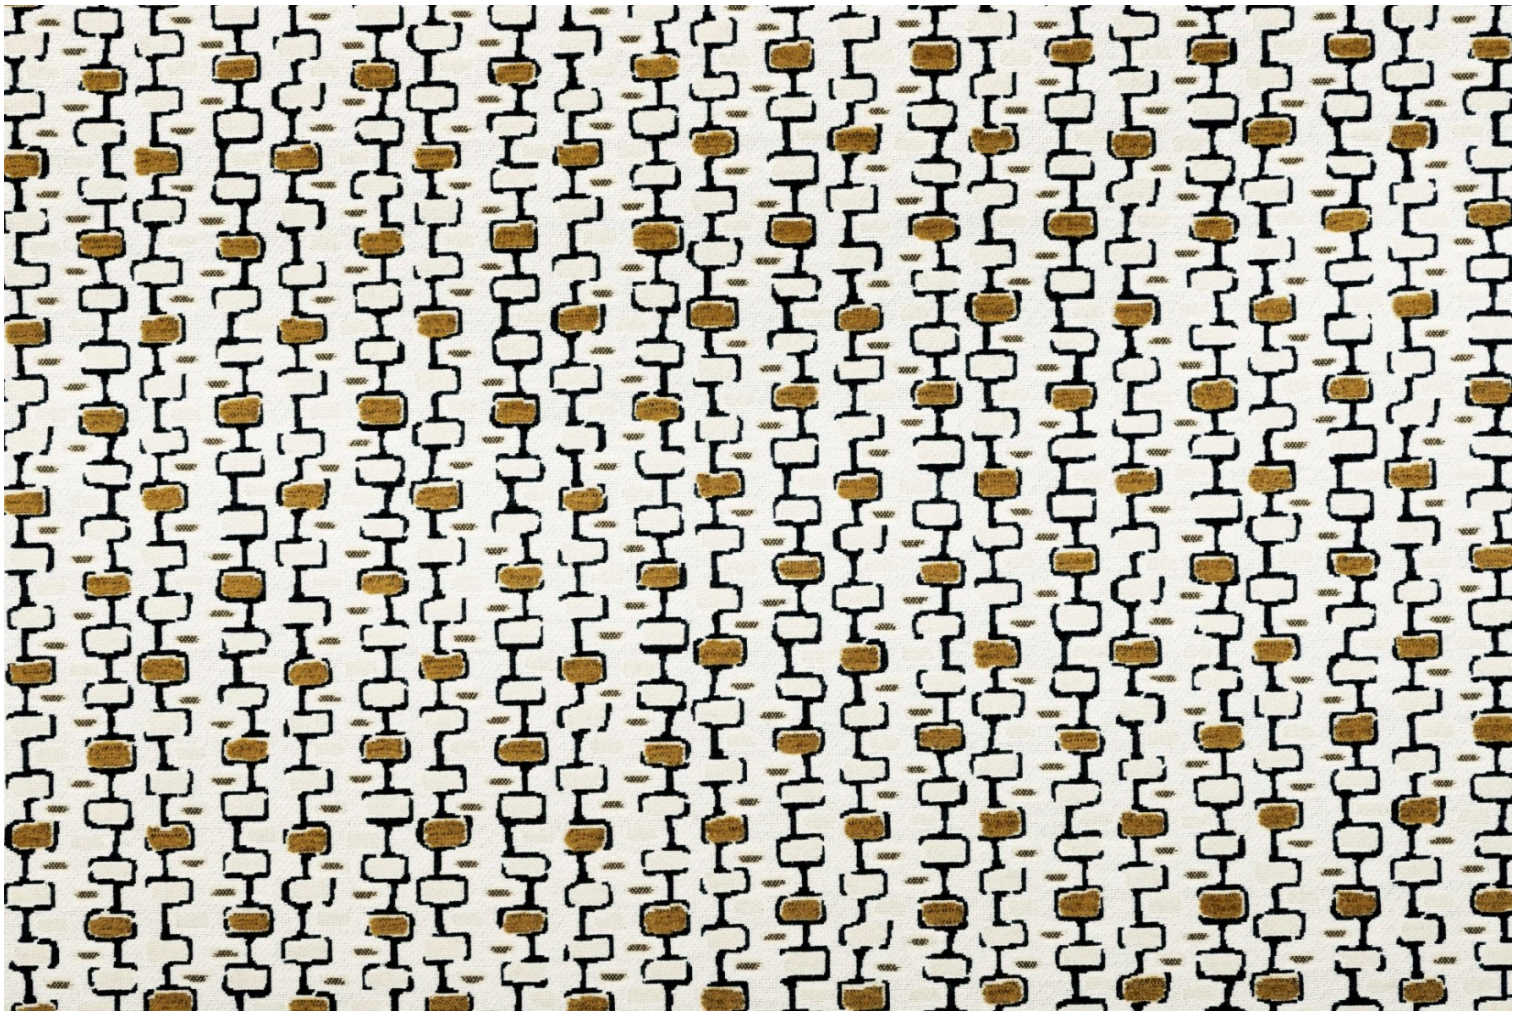

TECHNICAL DATA

Type	Jacquard
Composition	Viscose 74% - Polyester 15% - Acrylic 11%
Width	140 cm
Repeat cut	No
Vertical repeat	63 cm
Horizontal repeat	35 cm
Half drop match	No
Care	
Uses	
Martindale test	20 000 T
Weight / Linear metre	980 g
