LELIEVRE
PARIS

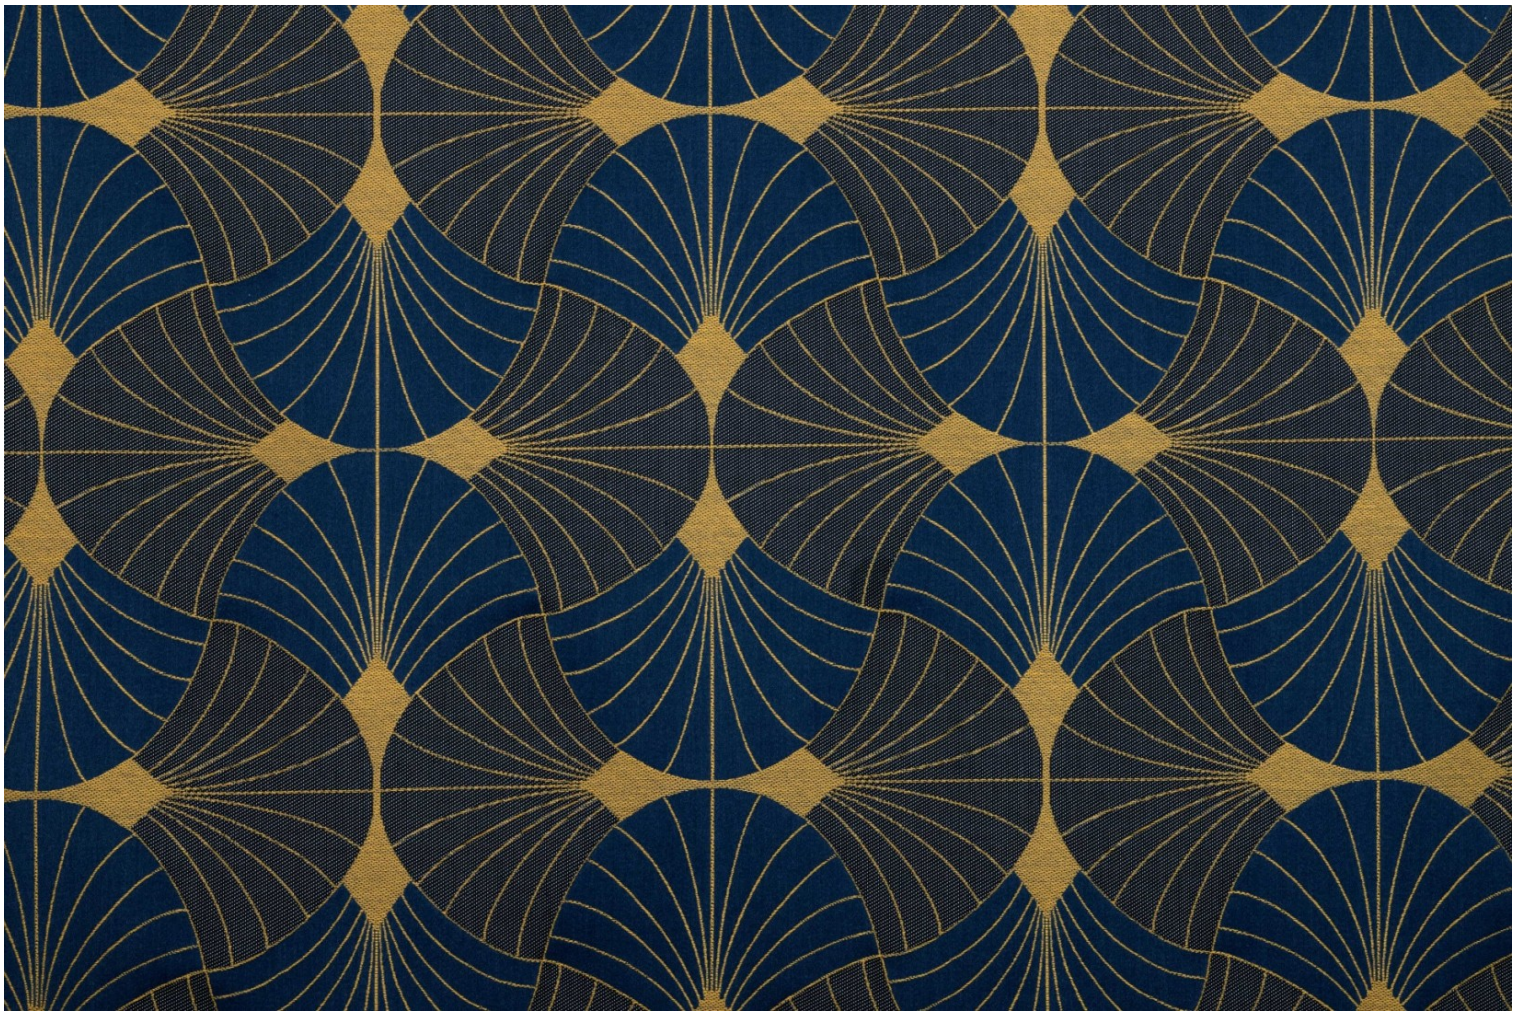

FLABELLA is a Jacquard fabric woven with a linen thread that creates a swollen, heavy Brocade-like effect. Contrasting bright Indigowith a very elegant deep shade of black, it features a highly decorative pattern inspired by an unmistakable Art Deco motif. Changes in the weave pattern and the combination of tonal colours deliver a very modern feel, for a spectacular result on drapes! FLABELLA is manufactured at the Lelièvre factory near Lyon, France. | Design: Maison Leleu
