SANTORIN - NOIR ECRU

3617-02

A play of fading nets for this fabric woven in our manufacture (EPV - Living Heritage Company). This pattern, with its torn fishnet effect, suggests different interpretations. Whether animal, reptile or fishnet, the textile is brought to life through the eyes of the observer. Available in six natural colours, the range is fresh and lively, with a summery touch.

Collection	LA CROISIERE S'AMUSE
Brand	JEAN PAUL GAULTIER

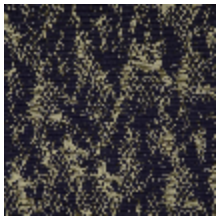

TECHNICAL DATA
