COSMOS - SABLE

0383-03

The velvet-making expertise of Maison Lelièvre makes this basic cotton velvet extremely versatile. A dense, close pile gives it a light, creamy feel. A very short shaved pile gives it a matt sheen and beautiful suppleness. It has a rare asset: it's washable. In every way, it's the essential new palette for coordinating with all our collections. The neutrals are elegant and nuanced, while the darks are intensely coloured and contemporary.
