FAUVE - BEIGE

4031-03

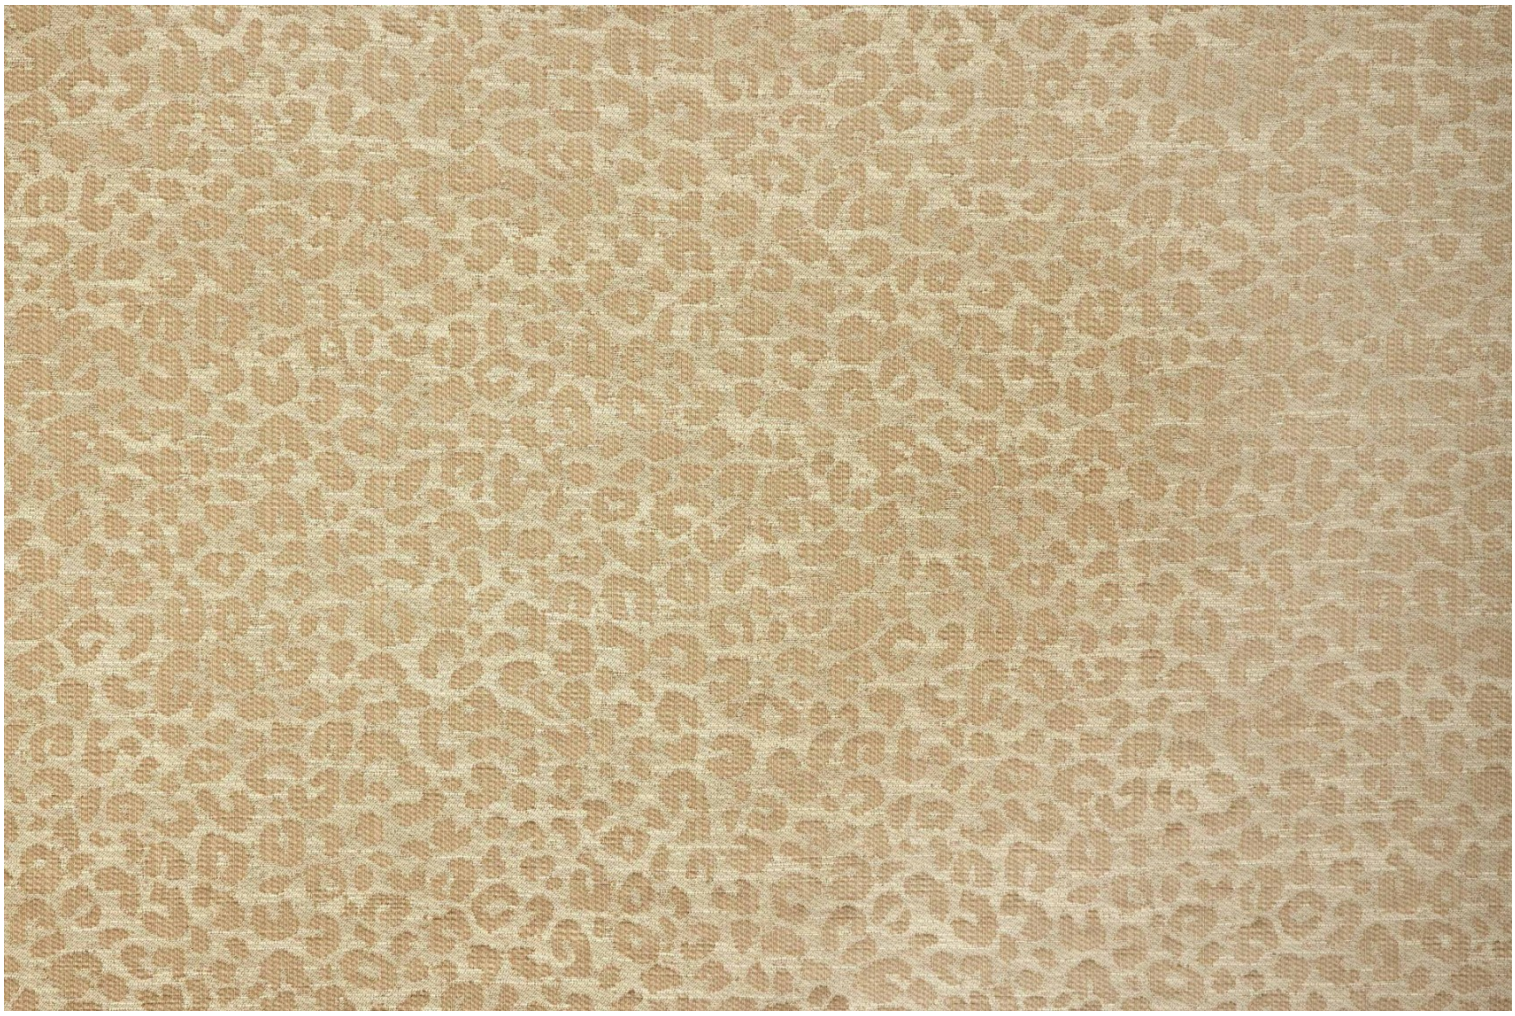

FAUVE is an animal skin design, a jacquard woven in the Lelièvre mill near Lyon. It features a beautiful play on texture: a smooth and vibrant effect created by the strie wrap, and a textured effect from the viscose linen yarm. FAUVE blends perfectly with the other patterns of the collection bringing a very modern look.

Collection	RESONANCE
Brand	LELIÈVRE PARIS

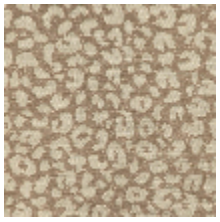

TECHNICAL DATA

Type	Jacquard
