

LELIEVRE

PARIS

FAUVE - BRUN

4031-05

FAUVE is an animal skin design, a jacquard woven in the Lelièvre mill near Lyon. It features a beautiful play on texture: a smooth and vibrant effect created by the strie wrap, and a textured effect from the viscose linen yarn. FAUVE blends perfectly with the other patterns of the collection bringing a very modern look.

Collection	RESONANCE
Brand	LELIEVRE PARIS

TECHNICAL DATA

Type	Jacquard
