LELIEVRE

Vetiver. An essence as fine as it is complex, creating the look of vegetation...the brocatelle has a spectacular raised design. The matt, cotton-look warp contrasts against the metallic background like a bas-relief. Vetiver is as deep as the notes of masculine perfume from which it takes its insipration...and it is expertly woven in our mill in Lyon in the time honoured style. 5 colourways in vibrant shades create a strong look with character, can be used for occasional seating, curtains or wall hangings.
