## TOUNDRA - NATUREL \*

4247-01

This large geometric motif symbolises vast forests of birch trees that slumber below blankets of powdery snow. A monochrome landscape comprising light, natural shades that opens up into a half drop repeat. A graphic grid sculpted with woven effects stands out from the gold-dusted background. Supple and hardwearing, it is ideal for upholstery, curtains and accessories.

Collection **NATURE PRÉCIEUSE**

Brand **LELIEVRE PARIS**

### TECHNICAL DATA
