LELIEVRE
PARIS

Featuring a large and structured two-colour geometric pattern, representing a maze and boasting a satiny matt finish that creates a play of light, HERA incorporates a deeply embossed texture giving it a slightly swollen aspect. The fabric drapes spectacularly well and has a wonderfully natural feel achieved thanks to a technical feat developed at Lelièvre's mill. Its bold palette of colours provides the possibility for strong, daring compositions. It is truly the masterpiece of the Numero 25 collection.
