KAYAPO - ANTIQUE *

0561-01

The marriage of folklore has become an aesthetic classic... The structure of the design is inspired by the geometric plans of formal gardens while the embroidery comes from the ethnic Kayapo tribes, native to the Amazon forest. Three brilliant colorways for curtains full of character and graphic accessories.

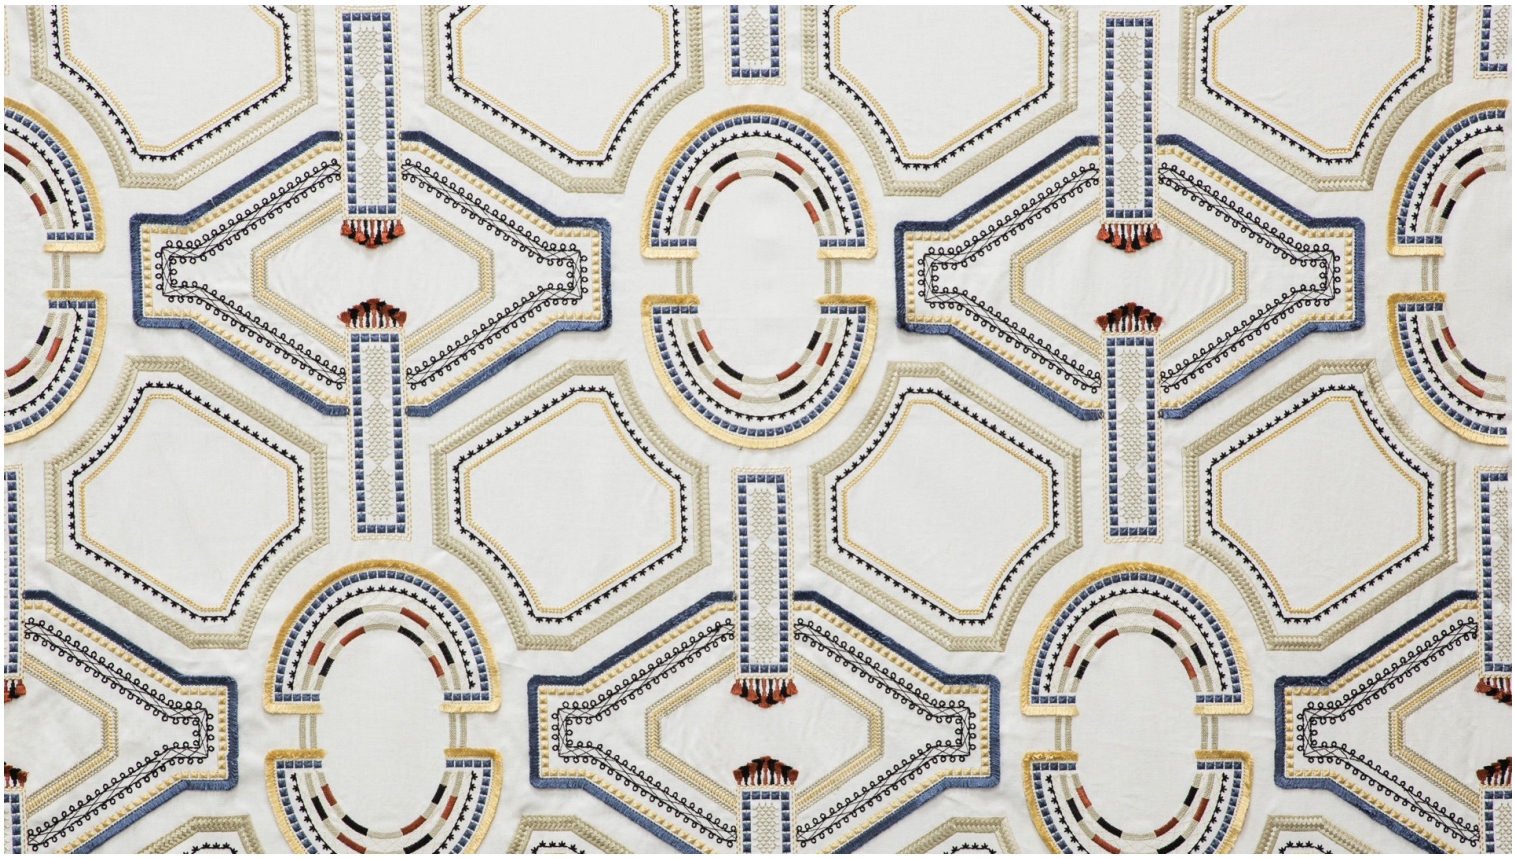

Collection	EVASIONS
Brand	LELIÈVRE PARIS

TECHNICAL DATA

Type	Embroidery
Composition	Cotton 51% - Viscose 38% - Polyester 11%
Width	131 cm
