Late afternoon on a petanque court in Saint Tropez. Olive leaves caress the ground, the feet of players disturbing the sand and their footprints softening as evening arrives. Oléa is a playful geometric print on a pretty cotton satin, crafted from different cuts and punctuated with dots on a white background speckled with colour. In the shade, as in the light, the olive leaf, treasure of the Riviera, illuminates the entire composition via the gold, silver or copper metal appliques.
