MADRAGUE - FICELLE

0584-01

The tradition of artisanal fishing inspired this net curtain, its open and supple mesh reinforced by a leno weave construction. A luminous golden thread enriches this woven creation in generous linen threads. A unique and bright colour for curtains or narrow Roman blinds.

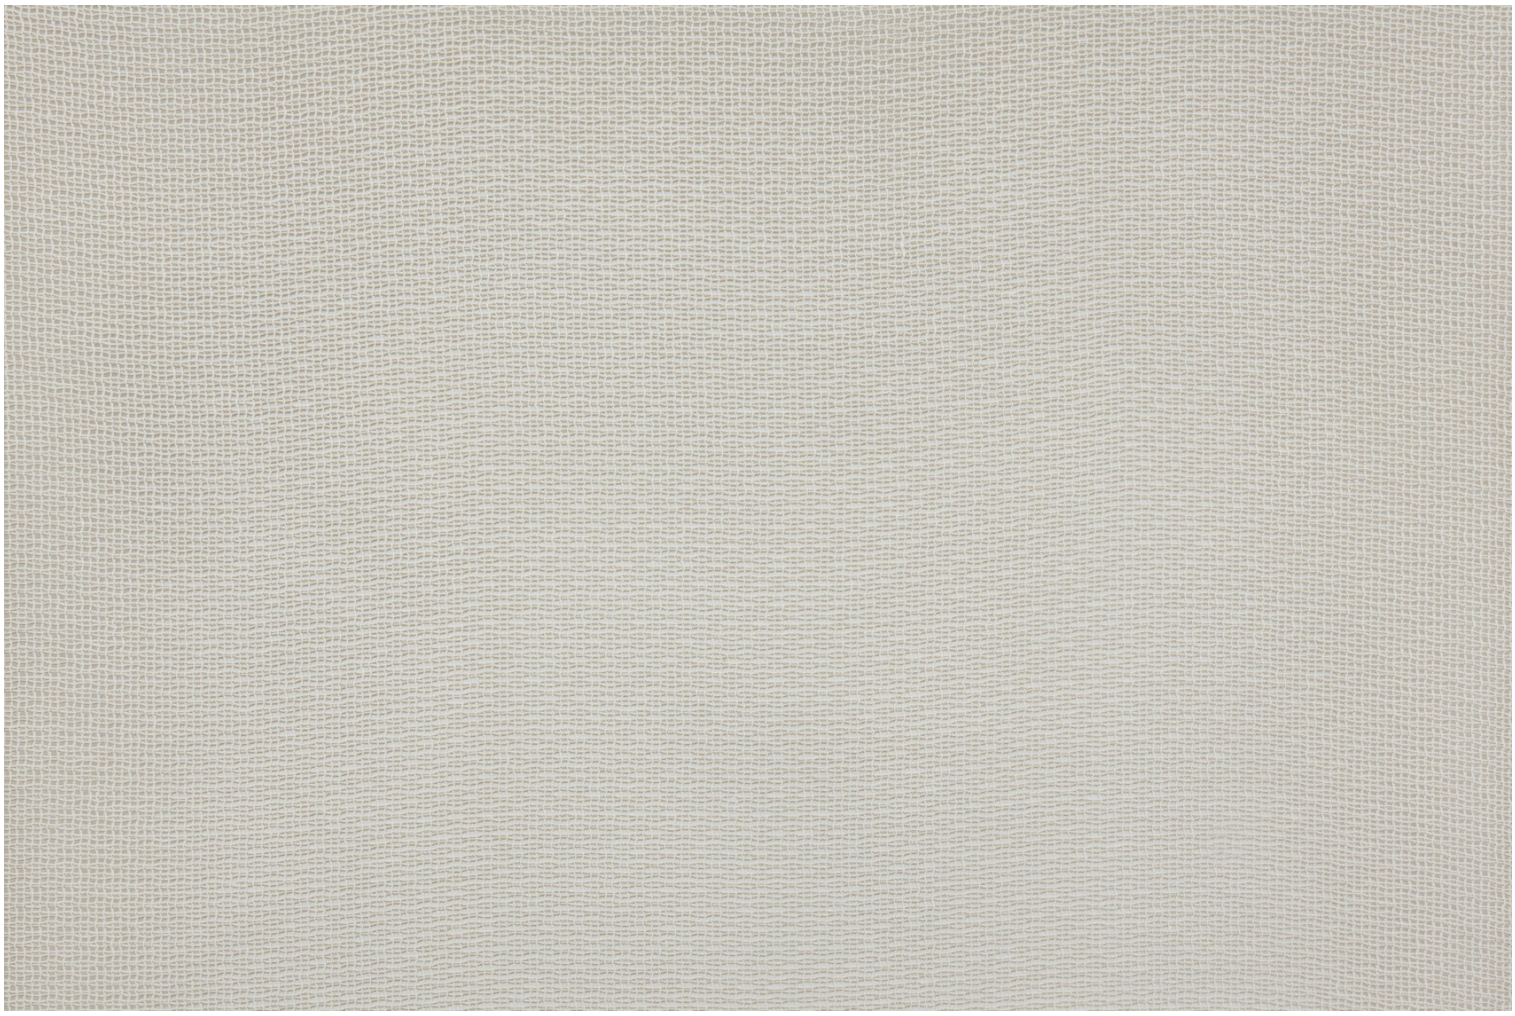

Collection	RIVIERA
Brand	LELIÈVRE PARIS

TECHNICAL DATA

Type	Plain material
Composition	Linen 67% - Polyester 33%
Width	165 cm
