TAPIS ONDARA DUNE

6636-01

Inspired by the marble quarries of Carrara in Italy, ONDARA, a hand-tufted rug, pays tribute to the purity and rarity of these floors. The warmth of wool is accentuated by subtle, luminous veining in plant-based silk (Tencel), following an irregular rhythm. The simplicity of the pattern and the interplay of materials give this precious material its full grandeur.

Collection	METAMORPHOSE
Brand	LELIÈVRE PARIS

TECHNICAL DATA

Type	Rug
Composition	70% LAINE NZ - 30% TENCEL
Pile height	8-10 MM
Use	Residential - Medium traffic
