PARURE M1 - HERON

0754-03

For some, Parure evokes Art Deco arcades; for others, it evokes a distinct animal presence. Just as the light reflects from a bird's feathers or the scales of a fish, this fabric sparkles. Categorized somewhere between matte and shiny, this gentle round design opens up on a light background woven with fine threads. The chenille creates a lavish raised effect on this elegant range of neutrals. Ideal for curtains, chairs and accessories.
