TAPIS STEPPE GRES

8603-02

A solid, textured rug, designed as a landscape element to create an immersive experience in your interior. Depending on its colour, it invites you to travel through a dry, arid, aquatic, or grassy world. Soft to the touch, rhythmic in its pattern, and bold in its solid colour, this rug creates a strong sensory impact in the room where it is placed, bringing a touch of nature to the decor.
