

LELIÈVRE PARIS LAUNCHES ITS VERY FIRST WALLPAPER COLLECTION ...

"The Wall" is a beautiful adventure into pattern, materials, textures and light which will cover the walls of the most exquisite interiors...This collection of wall coverings and wall paper will complete Lelièvre's fabric collections with style.

This first chapter will reveal new techniques and creations, exploring the iconic patterns from our archives and a brand-new design

FIGARI

6440 - 1 colour

Figari is a wallpaper inspired by our iconic Maquis (579) tapestry design. It features delicate botanical references, printed on a canvas-effect waffle background.

RABANE

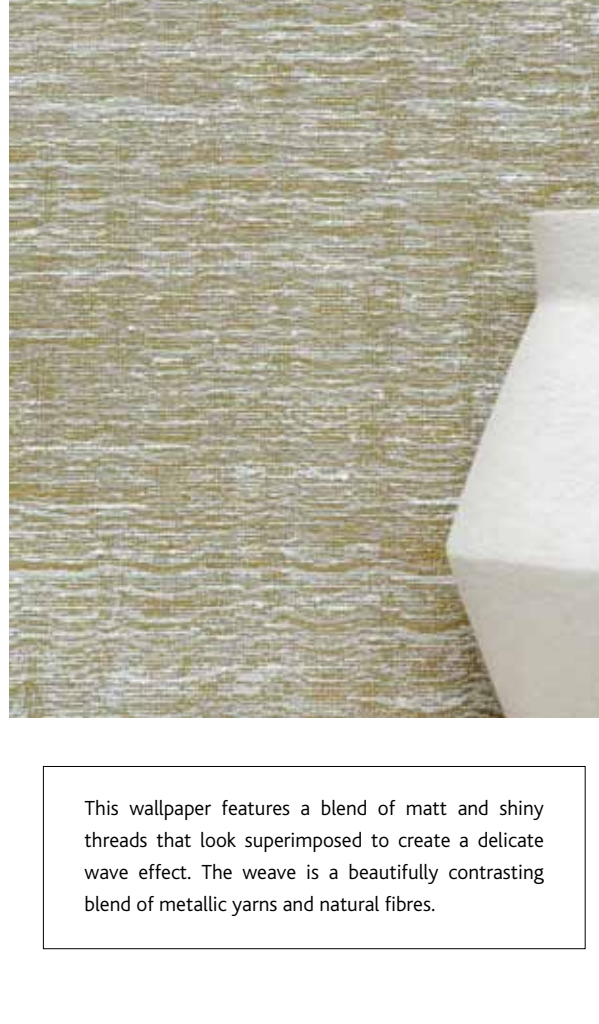

6448 - 3 colours

Asymmetrical geometric shapes are highlighted by a subtle yet luminous natural weave effect. The raffia weft has a soft satin finish, punctuated with striking, decorative threads. An elegant, sophisticated take on traditional basket weaving techniques.

VIBRATION

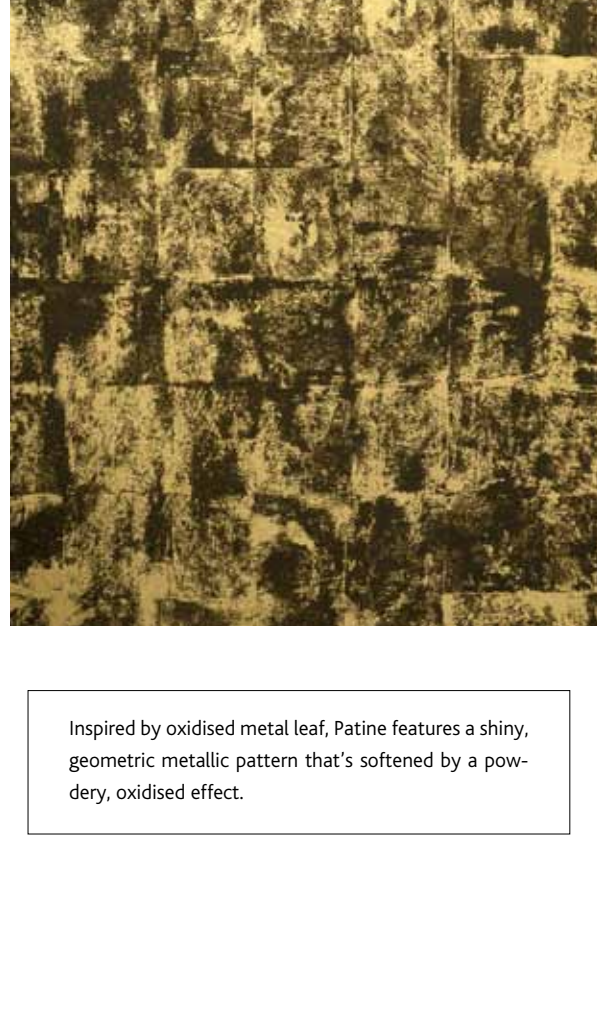

6449 - 4 colours

This wallpaper features a blend of matt and shiny threads that look superimposed to create a delicate wave effect. The weave is a beautifully contrasting blend of metallic yarns and natural fibres.

PATINE

6447 - 3 colours

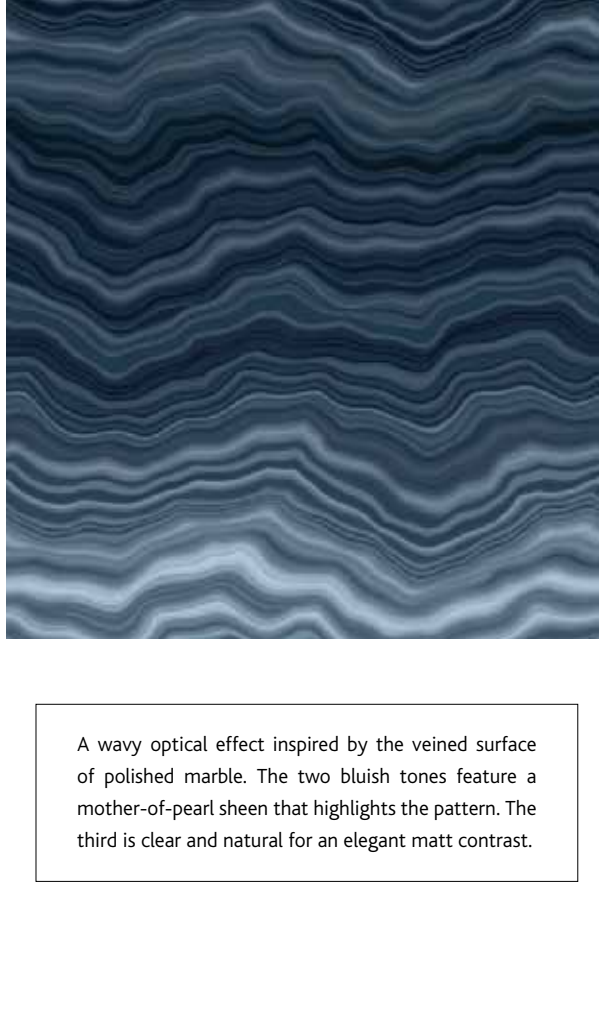

Inspired by oxidised metal leaf, Patine features a shiny, geometric metallic pattern that's softened by a powdery, oxidised effect.

CARRARE

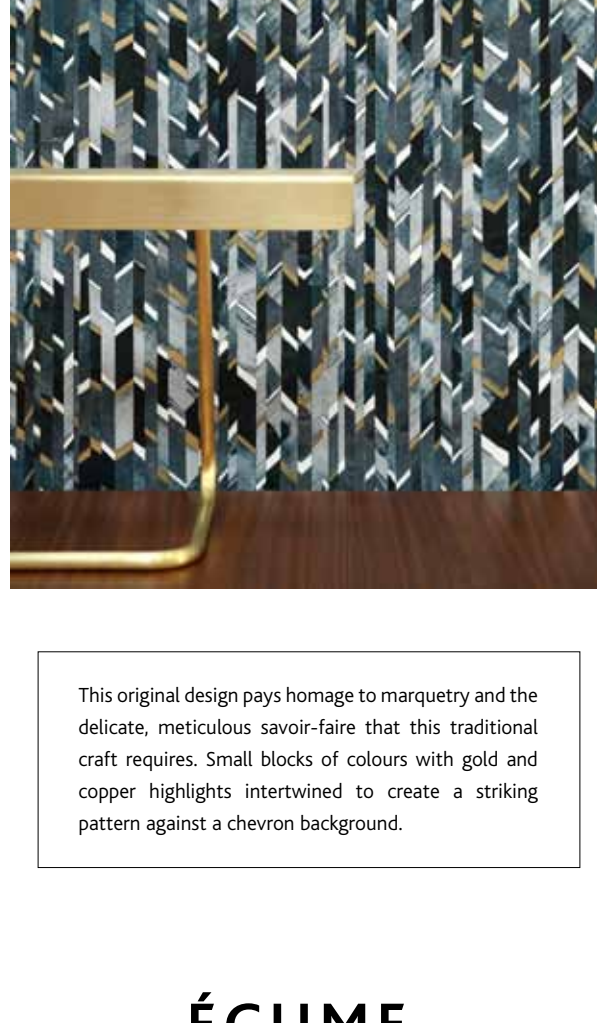

6446 - 3 colours

A wavy optical effect inspired by the veined surface of polished marble. The two bluish toned feature a mother-of-pearl sheen that highlights the pattern. The third is clear and natural for an elegant matt contrast.

MARQUETERIE

6445 - 3 colours

This original design pays homage to marquetry and the delicate, meticulous savoir-faire that this traditional craft requires. Small blocks of colours with gold and copper highlights intertwined to create a striking pattern against a chevron background.

COLINE

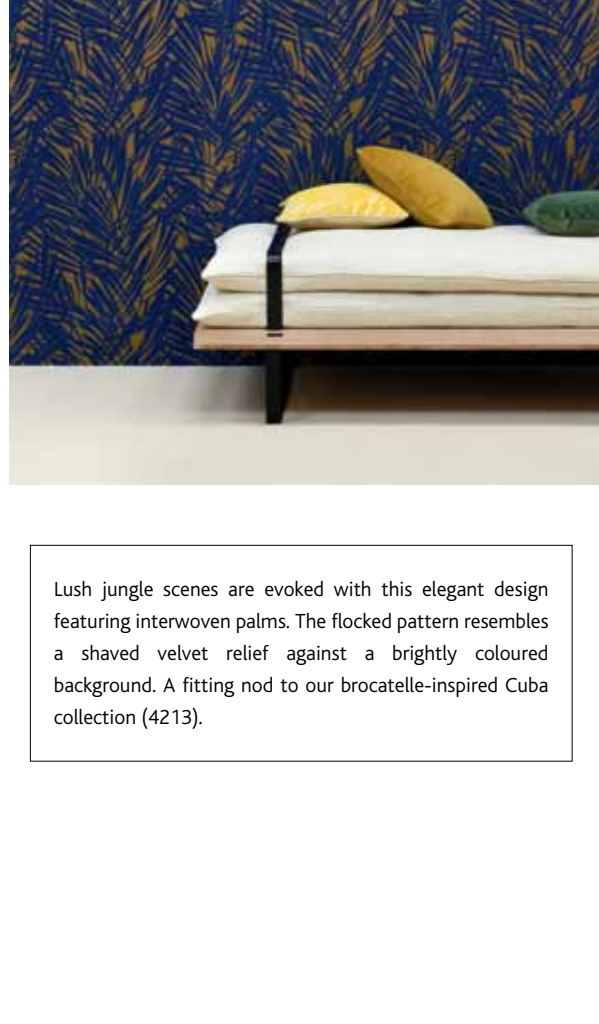

6443 - 3 colours

A tribute to old-fashioned prints... A relief landscape that features delicately outlined luminous shapes and coloured sections to create depth and perspective. Smatterings of golden and silvery powdered colours enhance the skyline, as seen in our lampas fabric Calanques range (4238) from the Riviera collection.

PALMERAIE

6442 - 4 colours

Lush jungle scenes are evoked with this elegant design featuring interwoven palms. The flocked pattern resembles a shaved velvet relief against a brightly coloured background. A fitting nod to our brocatelle-inspired Cuba collection (4213).

Ecume is inspired by waves as contrast and light dance on a delicate background that resembles Dupion silk. A subtle pearlescent finish creates a sparkly touch similar to our Rivage design (575).
