— THE WALL —

Lelièvre Paris launches **THE WALL CHAPTER 3**, a harmonious collection of six wallpapers and three wallings displaying boldly unique patterns. This latest collection was designed as the perfect complement to the brand's Signature BOREALIS fabric collection — with products revisiting motifs from the collection and others featuring brand new designs based on iconic patterns from previous collections. This creative mix delivers a wildly imaginative collection, sometimes spectacular, but always timeless.

This embossed vinyl features contrasting shades that blend together into a radiant composition.

A graphic combination of effects and textures, with colours tainted by the cold light of the blue hour at nightfall.
